

REPEAL

**Harper's
Secret
Spy Bill**

Protect our rights!

Canadians are angered by Harper's secret spy bill (C-51), rubber-stamped by the Liberals, that weakens our fundamental freedoms and hinders our lawful expression.

Unions believe in our constitutional rights, freedom of association and freedom of expression. We oppose measures that prevent Canadians from voicing their opinions. The price of security should not be our civil rights.

Only Tom Mulcair and the NDP voted against Harper's secret spy bill. Only the NDP have pledged to repeal Bill C-51.
