

Procedure for a Work Refusal

*Pending the Ministry of Labour Investigation:

- ▶ The refusing worker may be offered other work if it doesn't conflict with a collective agreement
- ▶ Refused work may be offered to another worker, but management must inform the new worker that the offered work is the subject of a work refusal. This must be done in the presence of:
 - ▶ a member of the joint health and safety committee who represents workers; or
 - ▶ a health and safety representative, or
 - ▶ a worker who because of his or her knowledge, experience and training is selected by the trade union that represents the worker or, if there is no trade union, by the workers to represent them
