# THE STEELWORKERS HUMANITY FUND WORKS GLOBALLY AND LOCALLY

## How we do it:

- Supporting unions and community organizations
- Organizing learning exchanges between workers
- Advocacy and campaigns on international issues

### Upholding Labour Rights

When the working conditions of our partners get better, we all win.

### Building Women's Equality

Fighting violence against women inside and outside the workplace.

## Promoting Human Rights

Providing the necessary tools so that people can stand up for their rights.

## Sustainable Development and Environment

Ensuring our children's future through a just transition.

## Fighting Poverty in Canada

Helping the most vulnerable in our communities.

## Emergency Relief

Stepping up in the face of natural and man-made disasters.
