GLOBALLY LOCALLY

South Africa

Nothanduxolo Maquba is one of many women scraping together a living by scavenging recyclable glass and materials out of Cape Town garbage. Women waste pickers are banding together to work cooperatively, cut out the middle-man, and make their work safer and easier. ILRIG, a South African human rights and research organization, is supporting the waste pickers develop their leadership and advocate for their rights.

Your contribution builds a better world

Sault Ste. Marie

During the August District 6 Conference in Sault Ste. Marie, Steelworker members participated in a community work day, volunteering their time to assist local community-based charities improve or renovate their facilities. The Steelworkers Humanity Fund provided funds for materials and supplies for the projects.
