

Better Pensions for all

Security for seniors

Canadians aren't saving enough for retirement and many face a 25 per cent drop in income when they retire. More than 11 million Canadians don't even have a workplace pension plan.

Pension experts, labour unions, provincial governments and seniors' organizations all support substantially increasing the Canada/Quebec Pension Plan as the most cost-effective way to help all Canadians retire with dignity. We can double CPP/QPP retirement benefits for the cost of a coffee and donut a day.

Only Tom Mulcair and the NDP will restore retirement to age 65 and strengthen the CPP/QPP.
