

# RETIRING? 45-PLUS?

# SOAR IS FOR YOU!

## Why SOAR?

The Steelworkers Organization of Active Retirees (SOAR) is the USW's way of proving that important work remains after retirement:

- ✓ To continue your involvement and connect with active retirees.
- ✓ To improve our communities and advance policies that affect retirees.
- ✓ To engage in legislative action to benefit the lives of retirees and all working people.

The SOAR Constitution now welcomes those aged 45 and up to join. Take advantage and join SOAR before you retire.
