

Suppliers of PPE for Women

June 2024

*Disclaimer: The PPE manufacturers and suppliers listed here are not affiliated or associated with the USW. We share their information so that members can do further research, and not because the USW or the TMC endorses, sponsors, or guarantees the products. **This list is not complete and has been gathered from our members during training on women's PPE.** This list also contains hypertext links to PPE suppliers' websites. The USW and TMC have no control over the privacy practices or the content of such websites. Please be aware of this when you click on any links and leave our site. You can read the privacy statements of each website to see what personally identifiable information it may collect.*
