

**STEELWORKERS  
HUMANITY FUND**

**FONDS HUMANITAIRE  
DES MÉTALLOS**

The Steelworkers Humanity Fund (SHF) is a charitable organization established by the USW that supports social justice, international solidarity, and human rights promotion in Canada and around the globe.

## TAKE ACTION

Support the inclusion of the Humanity Fund in your collective agreement and make a small contribution to support progressive social change at home and abroad.

### STEELWORKERS HUMANITY FUND

DES MÉTALLOS

# WHAT WE DO

Fostering education through labour rights and vocational training programs in communities that have experienced poverty and conflict.

## Sustainable Development & Community Education

Fighting food insecurity, working alongside Indigenous communities, tackling housing issues and supporting migrant workers' rights.

## Canada Program

Using education and dialogue to build worker to worker networks to advocate for fair wages, safe working conditions, and equitable treatment throughout global supply chains.

## Workers Solidarity in the Supply Chains

Delivering immediate assistance and support to communities in Canada and around the world affected by climate-related disasters, conflicts, and other emergencies.

## Emergency Relief

Providing resources, educating and mobilizing in support of women's rights to address the unique challenges women encounter in the workplace and in their communities.

## Women's Solidarity Program

# HOW WE DO IT

Supporting unions and community organizations

Organizing learning exchanges between workers

Advocacy and campaigns on international issues
